Flowers were given to the glory of God by Judy Hill in honor of her daughter, and by Charles Fritts in honor of his wife, Debbie, and their first date 50 years ago.

We embrace Jesus' message that God loves and accepts every person. Therefore, we welcome all to share in the life and ministry of this community of faith. Our welcome knows no boundaries of age, race, ethnicity, culture, gender identity, sexual orientation, marital status, economic condition, physical ability or mental ability.

Graduating This Spring?

It's time to start planning for upcoming graduation ceremonies! Do you have anyone in your family that will be marking this milestone? Please let the church office know so we can begin our plans to help celebrate this achievement.

Do You Enjoy Working In The Garden? 4-1

If so, then we have a ministry opportunity for you! A few of our volunteers who weeded flower beds last year have decided to take a break this year. So, we are in need of a few persons/families who are willing to oversee the weeding of one flowerbed this year. Our first priority is to have all the beds looking nice prior to Palm Sunday and Easter. If you are interested in being assigned one bed, contact Rev. Flynn

Well Done Church!

In last week's First Things, a request was made for those who are physically capable of walking on Sunday morning to park in the Chamber of Commerce lot. This past weekend, you did! Our more physically challenged members and friends had plenty of spaces in the Vienna Road parking lot! Well done and many thanks!

Community Assistance Offering This Sunday

Don't forget: during worship on the first Sundays of the month, as you come forward to receive Holy Communion, collection plates will be available for you to donate to our Community Assistance Fund, which our pastors use to help those whose utilities are about to be shut off or need gasoline to make it to work. Over the past year, our congregation has distributed \$28,304 worth of support through this fund. Helping the working poor whose families are caught up in the cycle of poverty is an important part of our ministry to our community. Thank you for any and all support you can offer!
